ENROLLMENT PROCEDURES

Each applicant will attend an interview with admissions personnel. We encourage applicants to bring their friends and families or those who are a vital part of their personal “support system”. Both the applicants and family members will have an opportunity to learn more about the institution and its training programs. The interview is designed to evaluate applicants and their commitment to their educational goals Important Note: Applicants with criminal backgrounds who apply for programs which require state certification or licensure are advised that they will be required to submit to a criminal background check by the Florida Department of Business and Professional Regulations as part of the licensure application. Presence of criminal convictions on record may be cause to reject an applicant for state licensure.
